

F5-10422AFA-BF Touch screen glass

Model	F5-10422AFA-BF
Category	Winni Touch Screens
Part Number	F5-10422AFA-BF
Description	Touch Screen Front Protective Glass / Cover Lens
Application	Replacement part for industrial HMI (Human-Machine Interface) panels or specific equipment models.
Material	Tempered glass or high-strength optical glass.
Thickness	Standard industrial thickness (e.g., 1.1mm, 1.8mm, etc., model-dependent).
Surface Hardness	High hardness rating (e.g., ?7H) for scratch resistance.
Surface Treatment	Anti-glare (AG) or anti-reflective (AR) coating, clear finish, or oleophobic coating.
Optical Clarity	High light transmittance for clear display visibility.
Touch Compatibility	Designed for use with underlying projected capacitive (PCAP) or other touch sensors.
Condition & Use	New, direct-fit replacement part for repair and refurbishment.

Note:

Invshop recommends that you inquire with the original factory or its agents about the latest production status and technical information about F5-10422AFA-BF. The product parameters displayed on Invshop are entered by Invshop engineers according to the specifications, and efforts have been made to minimize errors, but we cannot guarantee the complete correctness of the parameters. Please refer to the specification sheet!
