The image shows the back of a laptop screen assembly. It features a grey plastic bezel with a large rectangular cutout for the display panel. The bezel is secured by several screws around its perimeter. At the bottom, there is a silver-colored metal hinge assembly. A green flexible display cable (FPC) is visible, connecting the bezel to the internal components. A small red circular sticker with the text "REPAIR CENTER" is located near the hinge. Two white labels are present: one on the left with a barcode and text including "Model No. 8010000001", "Rev. 1.0 (2010/01)", and "C/C 0000001101010000"; and another on the right with a barcode and text including "Model No. 8010000001", "Rev. 1.0 (2010/01)", and "C/C 0000001101010000". The entire assembly is set against a plain white background.
