

# New FAGOR CNC 8055i/A-TC-COL-K button board

Model	CNC 8055i/A-TC-COL-K
Brand	FAGOR
Category	<a href="#">Key board</a>
Compatible CNC Model	FAGOR CNC 8055i series, specifically the /A-TC (Turning Center) variant
Key Technology	Film switch (membrane) design, often with tactile metal snap domes beneath.
Key Layout & Features	Includes alphanumeric keys, axis/jog keys, function keys
Special Configuration	"COL" suggests a color display interface. "TC" indicates software and key labels optimized for lathes and turning centers.
Customization	The 8055 series supports OEM-customized keyboards and user interfaces, which this board may represent.
Common Failure Modes	Wear of graphics, loss of tactile feedback from dome failure, membrane tearing, or adhesive failure

## Note:

Invshop recommends that you inquire with the original factory or its agents about the latest production status and technical information about CNC 8055i/A-TC-COL-K. The product parameters displayed on Invshop are entered by Invshop engineers according to the specifications, and efforts have been made to minimize errors, but we cannot guarantee the complete correctness of the parameters. Please refer to the specification sheet!
